Subject: Hall of Fame Resignation

Virginia Wesleyan has a proud history of athletic success. There are approximately 90 All-Americans across all sports and 5 National Championships. All are proud Virginia Wesleyan athletes.

The VWU Athletic Hall of Fame currently contains 72 athletes, 4 teams, 6 coaches, and 11 benefactors or administrators. The honor of being selected to the Virginia Wesleyan Hall of Fame was one of our most treasured honors. Recent events have tarnished those memories immensely.

It is apparent from the responses from various officials of the institution that there is little regard for many of the Hall of Famers' sentiments; certainly that is how we feel about ours. Moreover, somewhat shockingly, there has been no indication to consider alternative plans for the Virginia Wesleyan Hall of Fame, nor it's honorees.

To be a part of a Hall of Fame honoring a school for which we never played, and never attended, seems absurd. As disappointing as this may be, resigning from inclusion going forward with the Batten Hall of Fame is the right thing to do.

Please accept our final resignation from the Virginia Wesleyan Athletic Hall of Fame.
